SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

OH, WARNIE - NOT AGAIN!

Everyone's favourite retired leggie pitches it up to tits-out model

SHANE Warne latest delivery has been belted back over his head for six.

After receiving a series of texts from Warnie suggesting they hook up, Pommy page 3 model Rhian Sugden knocked him out of the park by getting her FIANCÉ to tell him to BUGGER OFF.

Rhian's bloke, pommy actor Oliver Mellor, finally had to send Warnie a message saying: "This is Rhian's fiancé. As I can see from previous messages — she has mentioned this a few times. Not sure why a 46-year-old-man who she has never met would want to meet up with her, other than to be inappropriate. Get the hint and find somebody single to bombard with messages. Oliver X."

Rhian herself told the London *Sun*: "It's flattering to be approached by people, but it soon becomes IRRITATING when I tell them I am happily engaged and they continue to PESTER. Someone like Warne should know a lot better."

Yeah, but he's Warnie. He's DIFFERENT. ■ Picture

THE RUSSIAN Bare

Marina Visconti will drive you wild!

MARINA Visconti – not her real name, by the way – comes from Russia, but now resides in sunny Los Angeles, where she has been busy making highly regarded fuckumentaries since 2013.

And while at first she may look like just another chubby-cheeked newcomer with an itchy vagina, take a look at her phenomenal E-cup NORGSKIS and just try NOT to growl

MORE SOVIET MISSILES!

"Wooo-arrrgh!" in a low, grunty voice, like a blue whale with a touch of the gastro.

See? Not easy, is it?

Now the soon-to-be-21-year-old Russian rootrat has over two years of porn experience under her belt – SNERK! – many folks in the porn biz are saying she's the best thing since individually wrapped cheese slices.

And this was the complete newbie who didn't know NUTHIN' about porn until she was IN IT!

"I didn't watch porn before I started doing this. I didn't know anyone but Sasha Grey, because she is very famous in Russia," Marina reckons.

"I LOVE WATCHING MY OWN MOVIES"

"I DIDN'T KNOW ANY PORN STARS BUT SASHA GREY"

She still doesn't watch a lot of porn, she says, but: "I love watching my own movies."

So how has she managed to come so far, so quickly?

"I'm a fast learner and I listen to what the director wants," says the little charmer."

Good girl! Right answer.

Marino appears to be in the spuzz film caper for the long haul, claiming, "A lot of girls come and go out this industry and no one remembers them. I want to leave a lasting impression."

What a little doer! ■ Picture

WARRUMBUNGLES!

Emmy is keen to become Australia's first fully qualified nude astronomer. She don't need a telescope; she just lies on in the grass and points at stuff in the sky.

TUSCANY!

Hairy-mooted Italian hiking enthusiast Palmira loves to rummage around in the bush. She also likes walking in the woods. Sometimes she does both.

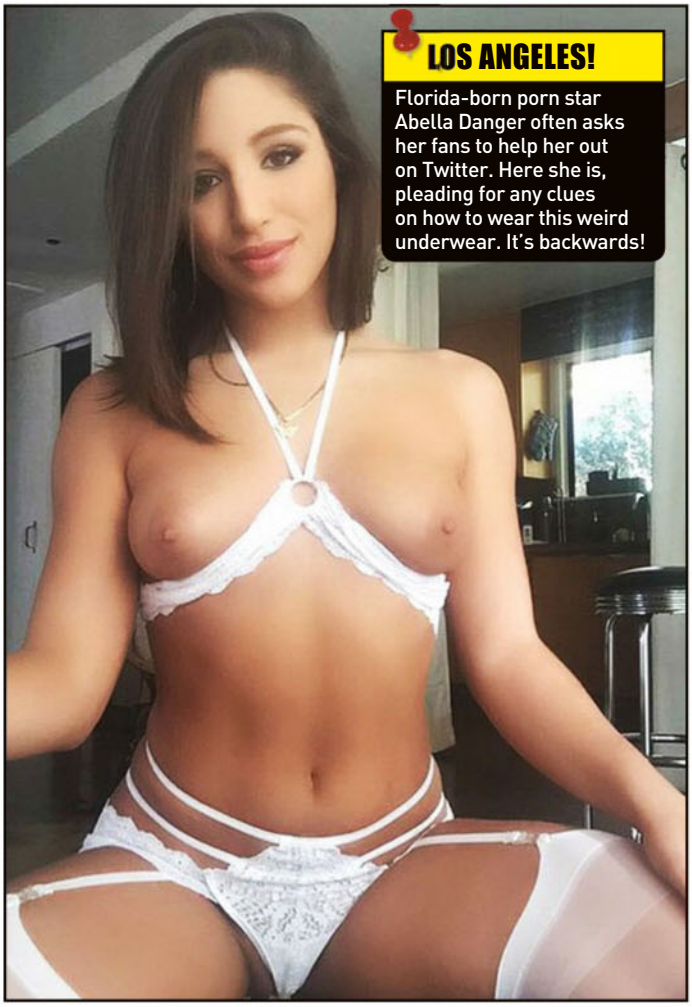
FINLAND!

Ranga Michelle moved from Hungary to minimise her exposure to the sun. Her expenditure on sunscreen was halved, but she is bothered by reindeer trying to eat her towel.

GETTY, MET-ART

KIEV!

Celeste was in all sorts of trouble when the elastic on her dress snapped, although judging by her tan lines, this is not the first time this has happened.



LOS ANGELES!

Florida-born porn star Abella Danger often asks her fans to help her out on Twitter. Here she is, pleading for any clues on how to wear this weird underwear. It's backwards!

GERMANY!

Heaps of Germans are enthusiastic nudists, tramping along mountain trails in the buff just so they can meet someone like Mia coming down the trail.

News Flash

Believe it or not, this shit happened!

RAM RAID

THERE are more sheep than people in New Zealand, and we think that's a GOOD THING. Especially after a bunch of baa-baas helped catch some dastardly crims ON THE LAMB, leading cops on a 90-minute car chase on the outskirts of Queenstown. The woolly heroes were milling around blocking the road when the evil bastards came around the bend and had nowhere to go. The pursuing police arrested three men and a woman at the scene.

#261 WE DREW A COCK ON IT

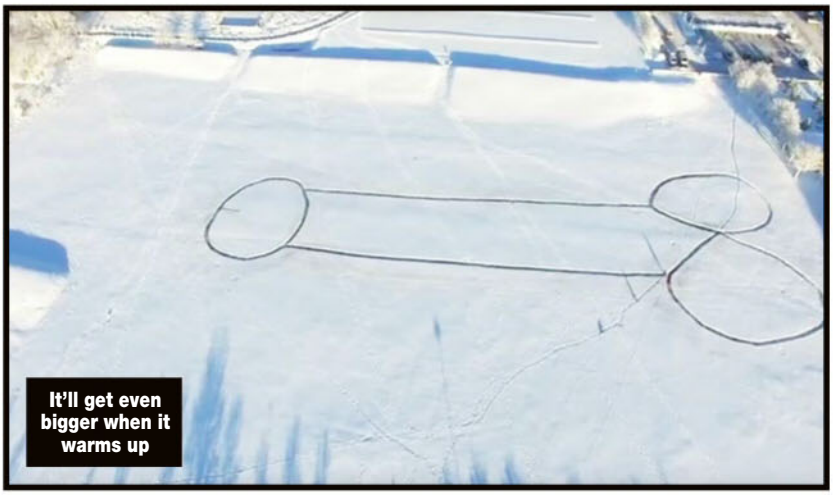
YES, A MAN CAN FLY

A DASHCAM in another car caught the EXCITING moment a passenger was EJACULATED out the window of a pickup truck during a bingle in the Brazilian state of Goiás. The truck rolled a couple of times before the bloke was FLANG out, nearly going into orbit. The video footage then shows the driver racing over expecting to find his mate dead, but in-FUCKEN-credibly, the bloke got out of it with just a broken leg.

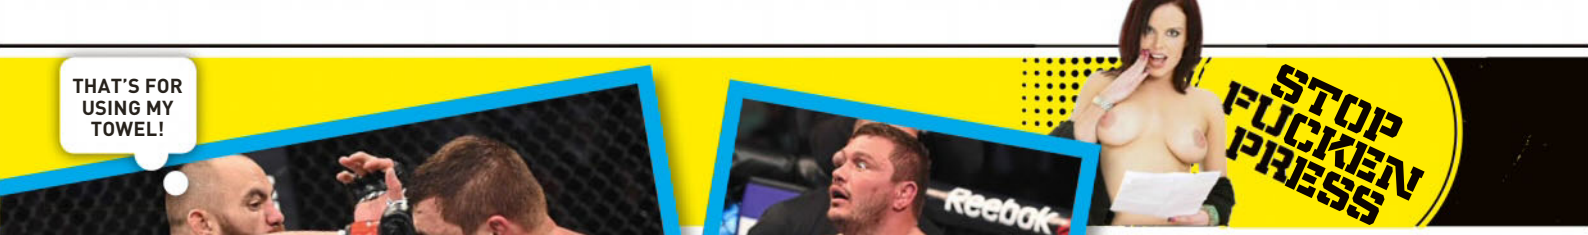
It only hurt when he landed...

SNOW SCHLONG

A COUNCIL worker in Gothenberg, Sdend has made a giant SNOW DICK to replace one he'd been forced to destroy after some wowsers complained about it. Emilian Sava felt so guilty about erasing the previous work of art, he created this MONSTER SCHLONG with a snowblower. "No one can get offended by the penis. It can't be seen from the ground," the KNOB-DRAWING HERO told the local paper. Cock-tastic!

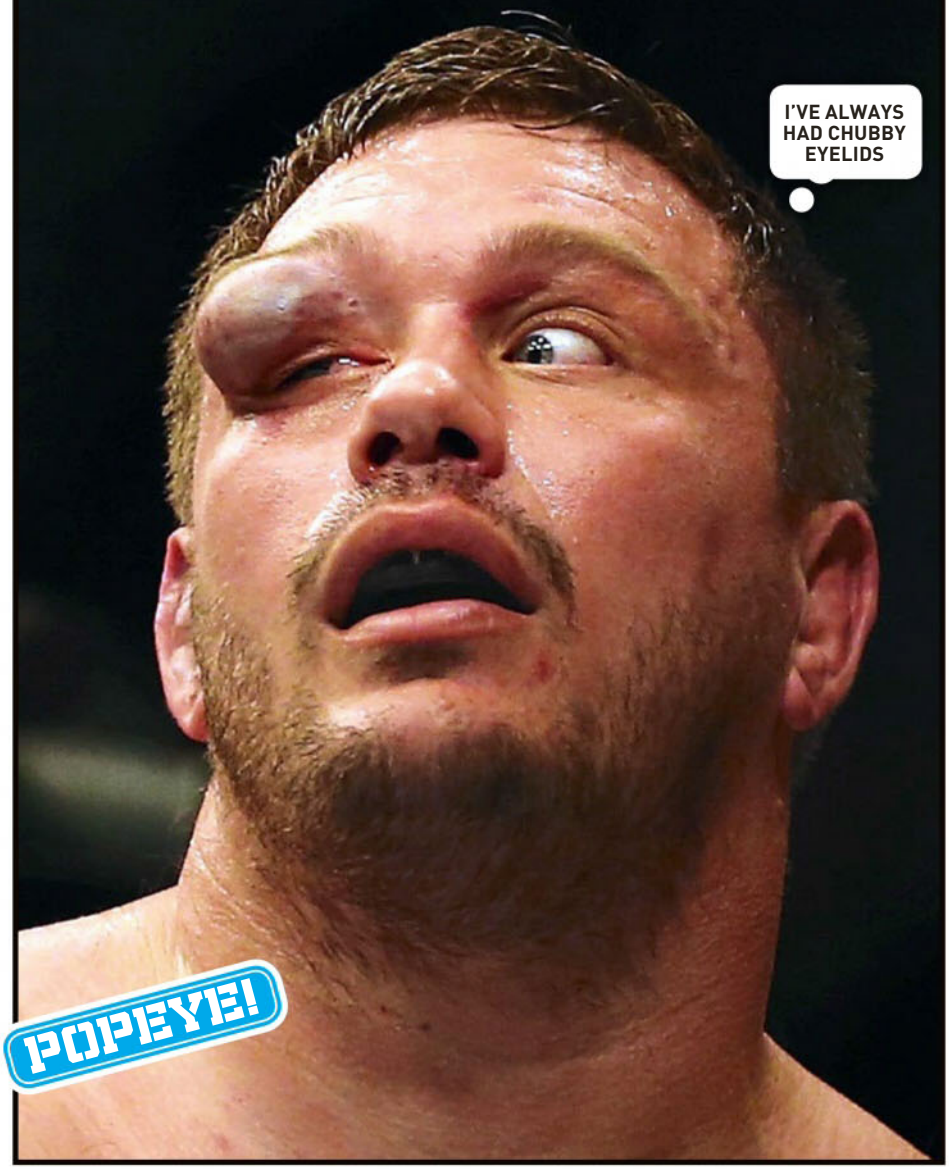


It'll get even bigger when it warms up



FISTY CYST

UFC fighter Matt Mitrione looked like he'd grown a third eyeball after his scrap with Travis Browne in Boston, USA. In the third round, Browne belted Mitrione in his right peeper with a straight punch that brought up a massive hematoma, which is fancy doctor talk for BIG OL' SACK O' BLOOD. Believe it or not, it looked even worse the next day when Matt when to the hossie to have it drained. Turns out his eyesocket was busted, and he'll be out of action for a while. Beautly, Browne's fist is absolutely fine.



MR FARTY PANTS

ROCKO the Great Dane is over two metres tall on his hind legs, and he eats eight cups of dog chow for every meal. But his owner Jess Williams says the worst thing about living with Rocko in a two-bedroom apartment in Reno, Nevada, is the big fella's FARTS. "When he breaks wind, there's no way of getting away from it – and they do it a lot; they're gassy creatures," says Jess.

OLD FUCKER

A POMMY pensioner turned porn star reckons she's fucked over 100 blokes since having her FIRST ROOT at age 57. Siobhan, now 62, told the *Jeremy Kyle Show* that she began rooting up a storm after signing up to a dating site. "You're never to old to go swinging," she reckoned. Siobhan said the youngest man she'd copped cock from with was 23. "He said 'that was great, when can we do it again?' And we made a video of it."

LEATHER LUNGS

SMOKER LIVES TO 112

Great-great-granny still knocks back 30 a day!

KNOW-IT-ALL medical types will tell you that lunging back 30 durries a day will have you HACKING your way to an early grave.

But this old duck in Nepal reckons it's the reason she's still alive and KICKING ARSE at the age of 112.

Batuli Lamichane has been a fan of the gaspers since she was 17– and that was back in, er, 1920.

Since then, we've calculated she's smoked 1,040,250 ciggies, give or take a couple, and while she's not running marathons or anything, she still looks healthier than Clive Palmer.

Maybe the secret is her choice in smokes – she doesn't smoke your rubbish commercial western jobs, only the local version called 'beedis', which is tobacco wrapped in tendu leaf.

"I have been smoking for 95 years. There is nothing wrong with smoking," Batuli maintains, and who's gunna fucken ARGUE with her?

She's outlived everyone in her village and three of her four kids, so she must be doing something right.

You know, if she added a couple of belts of rum to her daily diet, we reckon she might make the double ton! Picture

RACK-PACKER

Carmel loves it Down Under!

YA GOTTA love backpackers. They pump SHITLOADS of cash into our economy each year. They give us Aussie fellas a chance to cop a ROOT.

Most importantly, they're nearly always down to have a few beers and a laugh at your local pub.

Carmel, 25, is from Israel and she's been doing WONDERS for racial harmony since she flew into Sydney two months ago. "Australia is the best country in the world," gushed the beaut brunette with a BELOWFRO. "Everyone is so kind and welcoming."

What's been your fave place so far?

"Well, I've only seen such a small part, but I'd have to say Byron Bay, it's so beautiful, and it has a really cool feeling about it."

Did you venture over to Nimbin?

"No, I didn't get the chance. But these English guys from my hostel went and brought back some weed, and we all got really high on the beach."

Anything else happen with you and the soap-dodging Pommy blokes?

"I made out with one of them, but we couldn't have sex 'cos he was so high, he started to throw up! It was so gross!"

Bet the poor bastard's KICKING HIMSELF now. Do you like the Aussie fellas?

"Yeah, they're much friendlier and funnier than the men back home. All Australians just seem so laid-back."

BEHOLD, THE BELOWFRO!

Are you on the lookout for a potential Aussie husband?

"That'd be great! If it happens, then it happens, but I can't say I'm looking for one. I'd love to find a surfy guy with scruffy hair and a tanned body who can teach me how to ride a surfboard."

Anything else you'd like to have a crack at while you're Down Under? Maybe some ROO SHOOTING? A bit of THONG CHUCKING?

"I don't really know what those things are. I'd really like to go diving on the Great Barrier Reef, go to Uluru and see a crocodile in Darwin."

All great ideas. Chuck in a couple visits to the pub, and you've got a BEAUT trip on your hands.

"Oh yeah, of course I'll be going to the pub! I love having a drink!"

You'll pass the citizenship test just fine! ■ Picture

TRUMPS

Will The Don's hair take him all the way?

HE MAY be a fucken BOOFHEAD, but Donald Trump has what it takes to go all the way to the White House. Sure, he's shit at foreign policy and doesn't know a budget from his BUMHOLE, but he's got THE LOOK.

That weirdo hair, those big shiny teeth, those piggy little eyes and the way he looks like he'd bite through your arm if you pissed him off – it all adds up to PREZ MATERIAL to us.

But mostly it's THE HAIR.

They won't have seen hair like this in the White House since George Washington's curly locks back in the day, and if Don gets in, you can bet his 'do will become the latest fashion in the USA.

Seppo kids will be bothering their mums to get a "Donald" next time they go to the barber, just like they all wanted a Justin Bieber do when that little craphound hit the charts.

We can't wait to see a few million little Dons running round. Go, Donald! ■ Picture

From the city to the bush, up mountains, down alleys, in the supermarket or some swank joint, she's always at it.

You and us both! So what's next, Kimbo?

Oz's best MAN CAVES

WHO:
Andy, 46

WHERE:
Kinross, Perth

HOW LONG IT TOOK TO BUILD: I'm a chippy by trade, so I did it nearly all myself. I also did it on a real tight budget. It was a gazebo first and a work in progress for a long time. After about 18 months, it was looking pretty good.

FEATURES: I was going for more of a bar look. I'm also really into magic tricks and cards. There's about 30 packs of cards up around the neon lights. I guess you just really have to see it.

PLANS FOR SHED: I plan on making the beer garden bigger. Hopefully, I'll be putting in a pool table at some stage too.

BEST THING EVER TO HAPPEN IN SHED: One of the wildest things was when a mate of mine tried to drink all the spirits. He tried to fight everybody and eventually got thrown in the pool. He also called my mother-in-law a cunt – and nobody has ever done that before!

WHY I LOVE MY SHED: It's my sanctuary away from everything. It's also a HQ for my football team 'Brianmunik' and we always have post-game drinks there. I'm a Man United supporter too, so the game against Liverpool usually gets a few people over.

WHAT A CATCH!

Don't get the wrong idea – fisho Dan Walsh didn't have a few too many down his local, get the beer goggles on and wake up next to this in a sleazy motel somewhere. Nup – that certainly DIDN'T HAPPEN. But the real story is ALMOST as exciting. Dan is a crewman aboard the Kiwi fishing boat Karina B, owned by father and son Dugal and Wayne Macfarlane, and the three of them hauled in this 415kg bluefin tuna after an epic half-hour battle. Skipper Wayne told the *Waikato Times* it had been "a bit of a mission" to get it on board. "We've got a hydraulic lifting boom on the boat, but it was right on the limit and it was stalling." His dad Dugal said it was the biggest tuna he'd seen. "And I've fished all my life... it was a pretty amazing fish." And no, they didn't give it a kiss and chuck it back. The big bugger sold for $30,000, and was on a plane to Japan quick smart. We bet it flew first class, too.

TRINITY SAYS: ***Dude, that's awesome. So good to hear you gave it a go yourself! I hear eating pineapple works, and also you gotta be drinking loads of water. Sometimes though, more guys just taste more pungent than others. Give that a go, and see if it makes difference. Nicest I've ever tasted ... Hmmm. There's been a few!***

HOMO-ERECTUS

TRINNY, I was having a discussion with the lads the other day, and we wondered if youse could help us out. So if two blokes were stranded on a desert island, would it be considered gay if one held his own erect cock while the other guy grabbed his arm and moved it in a jerking motion? So he's not actually touching his dick, but just deciding the speed and ferocity of the wanking. Cheers!

CURIOUS, VIA EMAIL

TRINITY SAYS: ***Ha! Best convo topic ever. This is definitely a question I've never been asked. Love it! And to answer you, it's a definite NO! It's only considered gay if one guy is actually attracted to the other dude.***

SUPER SAUSAGE

HEY luv, I've just started dating this guy, he's real nice and stuff, but I've got a little problem, well, a big problem. His dick is huge, like maybe he's part donkey or something. Anyway, he can only get his nob in before I yelp in pain. I'm so embarrassed. Are there any positions that we can try that are good for guys with massive schlongs?

standard for taking a big dick. Well, it's your easiest option. You must have a seriously small pussy if you can only take the tip. Poor thing.

PLAYER'S PLAYIN'

TRIN, I've fucked up. I always talk myself up about how I'm such a player and root loads of chicks but I've actually only ever done the deed once. I wanna come clean, but feel like I'm too deep now. Should I just find a new group of friends? Or 'fess up to these guys and let them think I'm a liar for the rest of my life?

P.R., VIA EMAIL

***TRINITY SAYS:** You know what? Just shut your mouth. Stop talking shit and keep your private life to yourself. You don't need to make new mates or come clean – just cut the crap. Let sleeping dogs lie. They probably already know you're full of shit, but they're your mates – they just go along with it.*

ROOT 'N' BOOT

I HOOKED up with a bird recently, nothing serious, just a quick root and boot, but the next morning she'd made me a fucken bonza brekkie. Like, bacon, eggs, sausage, hash browns, shit that I didn't even have in my house. She fucken went out and bought all this stuff before I woke up. Now I feel like I have to see her again. How do you get rid of a one-night stand chick without being a cunt?

DREW, VIA EMAIL

***TRINITY SAYS:** You don't have to do anything you don't want to do. Just 'cos she cooked for you, doesn't mean you owe her anything. As long as you said thank you, gave her a good orgasm and went on your merry way, you have no obligation. Don't lose any sleep, bro. If she asks why you haven't seen her again, just be polite and respectful with whatever you say.*

WORK IT

HEY TRIN, how's it going? My wife's been working real hard recently and her boss has been helping her out a lot. He gives her lifts home when she works overtime and if it's real late, he'll even let her stay in his bed while he sleeps on the couch. And just last week, he bought her a necklace as a bonus for her hard work. I'm so glad she's got such a loving and understanding boss. I sometimes wonder if he's rooting her, though.

GRATEFUL HUBBY, VIA EMAIL

***TRINITY SAYS:** Ha! I wonder that too, mate. That's all a bit much for a boss to be doing. Innocent or not, I'd be putting a stop to that shit, quick smart.*

MIRROR, MIRROR...

HELLO Trinity, you make me so horny. I tried to get my girlfriend to get tattoos just like yours but she refused. I don't know what's wrong with her. I tried to show her how sexy she could be by cutting her head out of a photograph and sticking it on your body, but she threatened to break up with me. How can I make her see the light?

JAMES, BUNDABERG, QLD

***TRINITY SAYS:** That's so sweet. Dude – as much as that's nice to say, it's not nice you wanna change your missus. You should love her the way she is. Or you could just draw on her with texta while she's sleeping. Up to you.*

THE SWEET SPOT

I PORKED this bird the other night who fucken squealed like a stuck pig when I sucked on her nipples. She was definitely faking it, right? You can't fucken enjoy it that much. What's your most sensitive spot to touch, Trin?

DARRELL, PERTH, WA

***TRINITY SAYS:** My feet. I can orgasm from just my feet being played with. It's my favourite! YES!*

TRINITY'S SEX TIP

Avoid rushing through foreplay, unless you're sneaking off for a quickie, of course. You know the drill. Foreplay makes me come harder when I orgasm, and I can relive the fantasy later on in my mind. Trust me, it's hot. So take your time and I bet she'll be even more appreciative after.

"I CAN ORGASM JUST FROM HAVING MY FEET PLAYED WITH"

TRINITY WANTS TO HEAR FROM YOU!

WHO: John Carey, murdercycle enthusiast

WHERE: Darwin

WHAT: Postie bike accident

OUCH FACTOR:

98%

BUT HE DOES GET TO DRINK BEER THROUGH A STRAW, WHICH IS PRETTY COOL.

AS OUR mums always warned us, riding motorcycles can be a hazardous business.

And no-one realises that more than Darwin champion John Carey, who came a cropper, and banged up his lovely face.

But the accident had its upside – John took some photos of his HORRENDOUS INJURIES and sent them to THE PICTURE in an attempt to leverage his way into his favourite mag.

It worked. Here he is. Dreams can come true, eh readers?

Johnno, WHAT THE FUCK HAPPENED?

"I was riding a postie bike through traffic wearing an open-faced helmet when the traffic stopped, and I head-butted the back of a Corolla hatchback and smashed my face up."

We hope the Corolla wasn't too badly damaged. What's the story on your buggered BOAT RACE?

"I shattered my cheekbones, eye-sockets, nose and jaw. It's made me think twice before jumping on a bike without the gear, even if it's a 40 degree Darwin day and I'm just going around the corner."

And how does MUSHED UP food taste?

"Terrible. I tried to puree a Mars bar, but that didn't go too well."

Now, on to the VITAL QUESTION – can you have a beer?

"Didn't taste too great, but it was good after not having one in a while."

Does the missus still smooch your smashed-up mug?

"She does, yeah."

Aww. Noice. Alright, before we start gettin' all mushy, you know what's comin' – GET UP YA SOOK! ■ Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

JUST DRINK IT

MUNGO, I recently jumped at the chance to go on a tour of a distillery. Imagine my horror when I found out that scotch is distilled from a crude form of beer. The cheapskates put it in second-hand casks that have had sherry or bourbon in them, and do nothing for 10 to 15 years. They put it in a fancy bottle and charge us $80.

R.N. ROSEWATER SA.

MUNGO SAYS: It's true that scotch and beer are made of the same stuff – grain and water. So is bread. Try knocking back a few loaves on a hot day. Either drink it or don't drink it, just don't overthink it.

WOOF-WOOF!

JUST heard the news about NRL player Mitchell Pearce's Australia Day encounter with a cute little doggie. I was just wondering if there was any chance you could get the dog to do a pin-up for THE PICTURE?

L.M., BRISBANE,

MUNGO SAYS: We got in touch with the dog and it was fine with doing a photo shoot. Wants to use the publicity to kick off a career in showbiz, maybe get on one of those reality shows. Here's a taste...

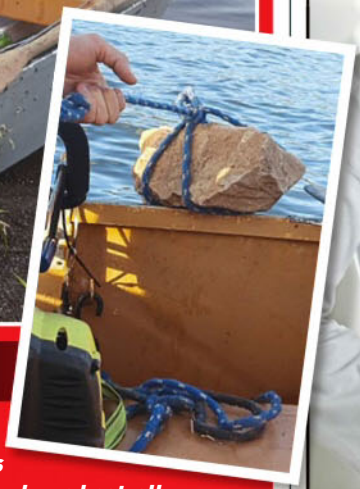
Aussie DIY genius



NUCLEAR FISHIN'

HEY Mungo, since you brought up the subject of fishin', here's a fucken wicked tinnie me and me brother knocked up out of roofing iron, with a converted whipper snipper for a fucken awesome outboard, a yooj rock and rope for an anchor, a plastic tube to see into the water as a fucken fish finderer and an umbrella in one of the holders to shelter us from those harmful, beer-draining UV rays. Cheers Mungo, you're a fuckin' legend, mate.

A.C., BOOIE, QLD

MUNGO SAYS: My beef against fishing, aside from the boredom factor, is that by the time you buy a boat, all the gear, bait, fuel, and allow for medical costs for the inevitable injuries, each fish costs you about $300. And you don't even get any chips with it. You've beautly managed to by-pass a major part of the expense with this home-made disaster. There's still the hours spent staring at the water waiting for something to happen, but. That never changes.

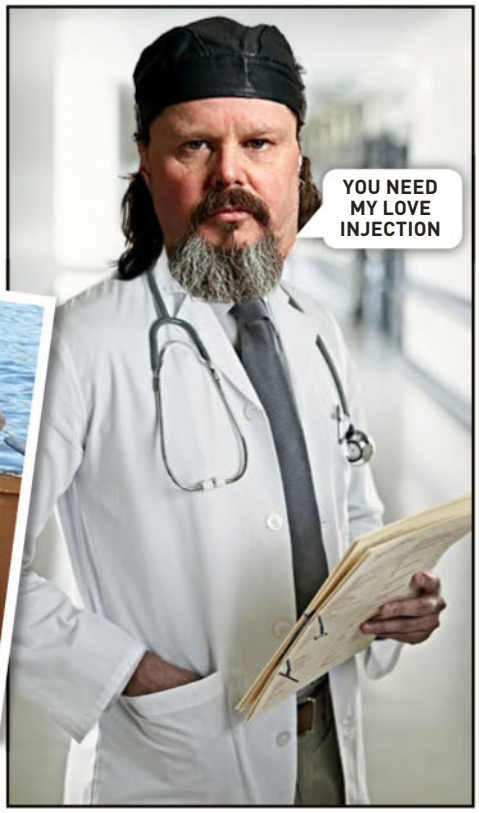
The split beaver tree, shown here

TREE-MENDOUS!

THIS reminds me of something. I just can't put my finger on it...

S.C., NO ADDRESS GIVEN

MUNGO SAYS: Hmm, forget your finger, mate. Just as long as you don't go sticking your dick in it. Could be spiders or snakes or any bloody thing in there. In fact, as a general rule, before you go sticking your dick anywhere, it's a good idea to shine a torch inside and have a bit of a rummage around. You never know.



DR MUNGO

MUNGO, now that Cleo has folded, where will us girls get our sex advice? I think it's up to you to take up the slack and start dishing out the handy rooting hints, otherwise how will Australian women discover how to have orgasms and such? PS: I've always fancied you, and my hubby is a great admirer of yours also, so if he carks it, I have his permission to jump your bones.

V.H., KATOOMBA, NSW

MUNGO SAYS: OK, sounds like a good idea. Here's my first tip – put washing machine on spin cycle, sit on corner of washing machine, stare at my photo and call out my name until you go all tingly down there in your, y'know, bits. Erm... that's it. As for your old man, that's very nice of him, but that's not much good to me while he's still breathing. So, in the meantime, can I at least borrow his jet ski?

MUNGO WANTS TO KNOW...

And while we're talking about crappy pick-up technique – you listening, Chris? – what's the worst one you've ever pulled out of the bag – and did it work, or did you just get a kick in the nuts? I'll pay $50 for the ones I use.

LAWRIE gets home late one night and his wife says, "Where the hell have you been?" Lawrie replies, "I was out getting a tattoo."

"A tattoo? What kind of tattoo did you get?"

"I got a hundred dollar bill on my penis," he said.

"What the hell were you thinking? Why on earth would an accountant get a hundred-dollar bill tattooed on his privates?"

"Well, one, I like to watch my money grow. Two, once in a while I like to play with my money. Three, I like how money feels in my hand. And, lastly, instead of you going out shopping, you can stay right here at home and blow a hundred bucks anytime you want."

DAN, VIA EMAIL

Q. HOW CAN YOU TELL YOUR GIRLFRIEND'S GETTING FAT?
A. SHE CAN FIT INTO YOUR WIFE'S CLOTHES.

R.Q., MT ELIZA, VIC

A WIFE went in to see a therapist and said, "I've got a big problem. Every time we're in bed and my husband climaxes, he lets out this ear-splitting yell."

"The problem is," she complained, "It wakes me up!"

Q. WHAT DID THE BLIND MAN SAY TO HIS BLIND GIRLFRIEND?
A. I THINK WE SHOULD HEAR OTHER PEOPLE.

W.J., MINNIHAHA, NSW

A CATTLE dog went to Australia post, took out half a blank form and wrote: 'Woof. Woof. Woof. Woof. Woof. Woof. Woof. Woof. Woof."

"What are you on about?" said the dog. "That would make no sense at all."

THREE women were sitting around throwing back a few drinks and talking about their sex lives. Karen said, "I call my husband the dentist because nobody can drill like he does."

Joanne giggled and confessed, "I call my husband the miner, because of his incredible shaft."

Kathy quietly sipped her whiskey until Joanne finally asked, "Well, what do you call your boyfriend?"

Kathy frowned and said, "The postman."

Looking puzzled, Joanne asked,"Why the postman?"

"Because he always delivers late, and half the time, it's in the wrong box."

GREAT 90s TITS

Pornstar Spencer Scott's sexiest shoot

HARDCORE BLONDAGE!

Andrew Kendall

WITH her MASSIVE MAMS and long blonde hair, Spencer Scott might be the perfect stereotype of a pornstar. And that's not a bad thing, as there's a reason for the stereotype – it's FUCKEN HOT.

The 26-year-old Yank is yet to taste the peen on the big screen, instead choosing to stick to VAGITARIAN pursuits like MUFF-DIVING and PATTING THE LITTLE MAN IN THE CANOE, something she really enjoys.

"I masturbate every day," the champion bean-flicker admits. "Sometimes twice if I don't have sex with someone else."

You sound like a horny bloke! Do ya just go at it with your fingers or have you got some new FANDANGLED contraption?

"Toys are good, but mostly, I'll

"I MASTURBATE EVERY DAY"

just use my fingers. I float them over my clit lightly, like a butterfly, until I can't take it anymore. I can come a lot."

A lot? Like, you mean more than once? Is that possible?

"The most was ten times in one day!"

HOLY FUCKEN JEEZUS, you must've had blisters on your fingers. Get many chicks cracking onto you 'cos of all the LEZZO porn?

"Women hit on me all the time. They stare at my boobs worse than guys; it's crazy! But I gotta admit, it's hot to turn a girl on. Plus, I know how to make her feel amazing."

Oh, we've seen the videos. What about blokes? What do ya love and hate about them?

"A turn-on is definitely confidence. I love that in a man,

"WOMEN HIT ON ME ALL THE TIME"

PIN-UP

"I CAN COME A LOT"

it's so hot. And turn-offs would be guys who are too cocky, not outgoing and have bad skin and hygiene."

What do you get up to when you're not licking other ladies' PINK BITS?

"I like going to music concerts. I actually saw Marilyn Manson recently. I got into the mosh pit and I was so scared, I didn't even know what was going on."

How'd you end up at a Manson gig?

"I'm a huge fan, I know, like, every word to every song. And I just love going to concerts and stuff like that."

LORD LOVE A DUCK! IS SHE CUTE OR WHAT?
Yeah, that beaut combo of Spanish and Asian heritage makes Filipino women hotter than a boiled radiator. Plus she's naked, and that helps.

SO WHAT'S JOSIE'S STORY?
It's a heartwarming and positive tale of a young girl making her way in the world with a song in her heart and a twinkle in her eye. As well as studying electrical engineering at uni, Josie enjoys posing for artistic nude photos, singing karaoke and shopping for sexy lady underwear at the SM Mall of Asia, the third largest in the nation and the 10th largest in the world.

HOORAY! TOO BAD ABOUT THE KARAOKE, BUT.
Yeah, well, you can't win 'em all. She can really murder *I Will Always Love You* after a few Bacardis.

SHE LOOKS LIKE A MERE SLIP OF A LASS.
Mate, she's about knee-high to grasshopper, wouldn't weigh more than 50kg with bricks in

FOREIGN PRINCESS

her pockets and she often flies as carry-on baggage. So there ain't much of her. But what there is, is ALL woman.

YOWZER! SO IS SHE SOME KIND OF MAN-EATING, SEX-CRAZED SHE-DEVIL THEN?

She's a veritable tigress in the sack. Hot-blooded and insatiable. Let's just say you'd need to eat lots of Weetbix to keep up with her .

BUT THAT KARAOKE THING...

You just have to take the rough with the smooth. Besides, how often do you find a pocket-rocket sex machine who can re-wire your home entertainment system? In the nude? Artistically?

BY GOLLY, THAT'S RIGHT! WHERE CAN WE FIND HER?

Drop into the student union bar at the Polytechnic University in Manila any Friday night, and wait for the karaoke to start. She'll be there. Take your earplugs, but.

DO THEY HAVE ANY CHISEL ON THE MACHINE?

Hope not. We'd hate to hear what she'd do to *Khe Sahn*. ■ Picture

Lex APPEAL!

This Queensland stunna is beautiful one day – perfect the next

THIS is officially the first time this mind-bendingly hot 22-year-old has posed nude in THE PICTURE, but it's not even close to the first time she's been nude on her lounge.

You see, Gold Coast stunna Lex knows as much about rooting on her couch as Mick Fanning knows about punching on with GREAT WHITE SHARKS.

"This couch has seen so much sex," she admitted. "I'm glad it can't tell stories because I'd be so embarrassed."

You don't come across as the shy type!

"I'm not really. I mean I'm

posing nude in a magazine... I can't be that shy. But, yeah. The couch has seen some things."

Do you prefer it to rooting in bed?

"Yes. You can do a lot more on a couch. You can get into different positions easier. And I guess if you're really bored, you can watch TV while it's happening."

What's your favourite sex possie?

"Defintely doggy – it just feels better than anything else. I think guys really like looking at my bum too, and that gets me off."

Have you ever been PUBLICALLY PEENED?

"No, but it's on my list of things to do. I thought about doing it on a golf course one afternoon, but these old guys sprung us before we could take it further."

You coulda given 'em a double coronary!

"I LOVE SOMETHING A BIT DIRTY AND NAUGHTY"

"I guess. I'd like to do it on a beach with the sound of the waves crashing, though. That'd be really romantic. I just hope there's no seagulls. I really hate them."

Why don't you like beach chickens!

"I got attacked by them when I was eating hot chips as a kid. I'm still scared of them. If one came along while I was having sex, I would probably scream."

Are you usually SCREAM in bed?

Sometimes. I've been told I'm good at dirty talk, but to be honest, I just say what I'm feeling at the time. I never act up or anything."

Do your mates know you will be appearing in the magazine?

"No, but I'm sure they'll tell me if they read it. I don't think they've ever seen me fully nude."

Now's a good a time as any! ■ Picture

My Sly Fuck

THE OFFICE, AUSSIE VERSION

ME AND Jan started eyeing each other off as soon as she came to work in my office, and it wasn't long before we were rooting on the quiet.

We didn't let on at work, but, because office romances are always trouble, so every time one of the other blokes there mentioned how hot she was and how he'd like to root her, I just kept my mouth shut.

Then when Jan moved into a flat with one of the other girls from work, it got heaps harder for us to get together, and weeks would go past without us getting an opportunity to jump each other's bones.

It was especially fucked at Christmas, what with all the extra work and stuff, so I was suffering badly from DSB (Dangerous Sperm Build-up) and Jan was climbing the walls as well.

When it came time for the office Chrissy drinks, we were both fanging for a fuck, and what with all the piss, we went crazy and when nobody was watching, we bolted down the corridor to the stores cupboard, locked ourselves in and immediately started tearing each other's clothes off.

We knew we didn't have much time, so I hoisted her up on a stack of boxes, wrapped her legs around my waist and chucked the junket gun up her.

Jan was moaning so loud, I thought they'd hear us, even though it was getting pretty rowdy just down the corridor.

We huddled down on the floor and I crouched over her and did her doggy. I spurted my splooge up her, she came as well, and then we scrambled to get dressed again before heading back to the party.

Everyone was so pissed they didn't notice we'd been missing for 15 minutes, so I think we got away with it.

MR BIG

LIKE most girls, I prefer a big cock. I know we all tell our blokes size doesn't matter, but that's bullshit – the bigger, the better, I say. I'm lucky 'cos my boyfriend Keith has a good-sized package, which is why I put up with him, but when the chance comes along to grab an even bigger cock, I take it.

This one time we were at a pool party at a friend's place and Keith had hit the cans pretty hard. I was feeling pretty horny, sitting there in my G-string bikini, but I knew he'd have a case of brewer's droop when we got home so I was gunna have to look elsewhere.

Luckily, I didn't have to look too far. This single guy hauled himself out of the pool in front of me, and even though he had boardies on, I could tell he had a massive cock on him.

He was a surfie type, with long hair and a cute face and I was creaming myself thinking about getting his tool into me.

Keith was starting to talk gibberish, so I made eye contact with surfer boy and nodded my head towards the house, then got up and went inside.

He took the hint and followed me, and as soon as he came in, I shoved him backwards into the laundry, kicked the door shut and reached down to unwrap his monster dick.

It was as big as I'd thought, and I wanked him off until it was up and barking before pushing my G-banger to one side and wrapping my legs around his waist.

I rode him like a Cup winner, hanging onto a shelf and kicking his taut arse with my heels while he ploughed that big schlong into me.

I came like a train, then readjusted my cossie, grabbed another drink, and went back outside to socialise, leaving surfer boy to wonder what had just happened.

MY GIRLFRIEND plays cricket on Saturdays through summer, and she's pretty good. I go and watch her now and then, but what shits me is that we never get to have sex on Saturday mornings because she gets up early to go to her match.

This one Saturday, I woke up with a real throbber, but she said she didn't have time to even give me a blowie. Fair enough, but I was left with this stiffie that I could've use break up a dogfight under a car.

I thought I may as well go and wat match, so I drove out there and found team was batting. Michelle was the n to go in and already had her gear on, was pretty relaxed, 'cos their opener settling in and on their way to a big s

She gave me a cheeky look and sly tweaked my rock-hard knob. "Still g that big hard-on, eh?" she grinned. "Let's see what we can do about it." Then she led me down to the changing rooms under the pavilion.

She left her pads on and just pulled her skirt and panties down and bent over one of the benches to give me a peak at her glistening pink pussy.

I pushed my bad boy in there, and it was heaven – Shelly, being an athlete, has great muscular control, so she squeezed my cock like a champion, bringing me to the point where I shot my load into her just as she had an orgasm that made her legs twitch and her fa go red.

"Goody, I feel more relaxed now," said as she pulled her panties and skirt back up, then we went upstairs to wait her turn to bat.

Turns out she had her best innings of the season that day, so now she's much more receptive to pre-game sex. She reckons it helps her get her eye in.

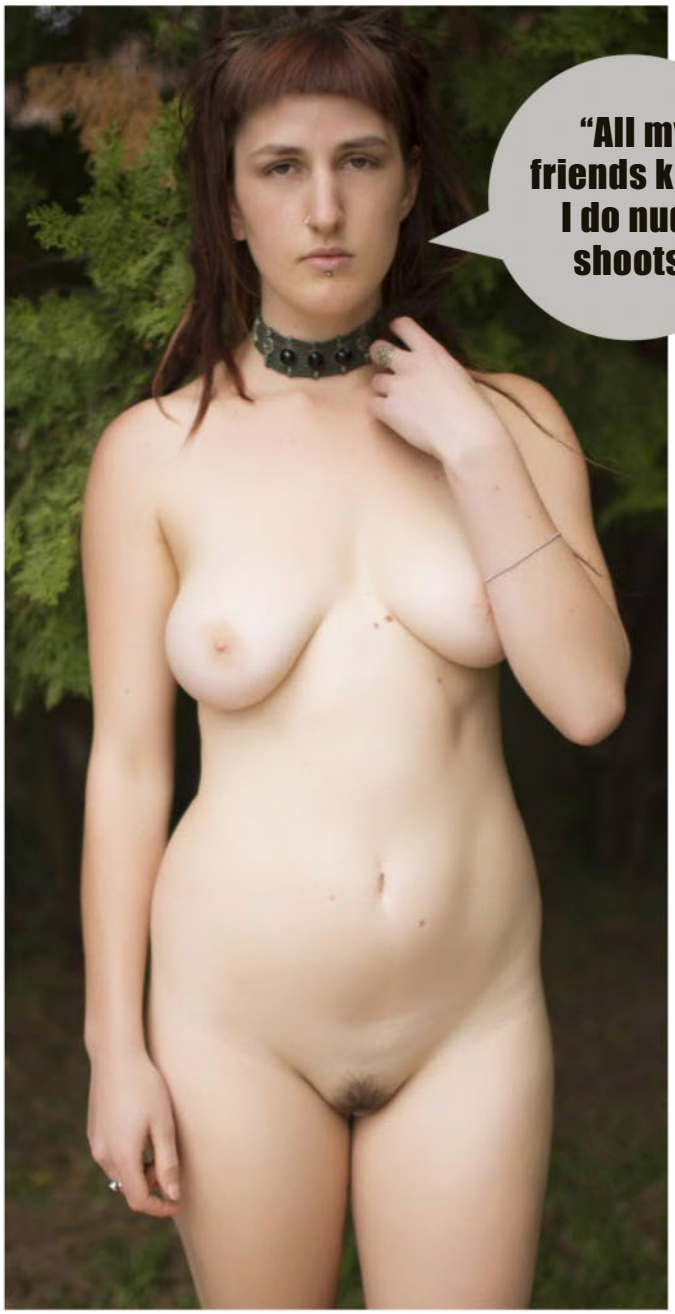
This week...

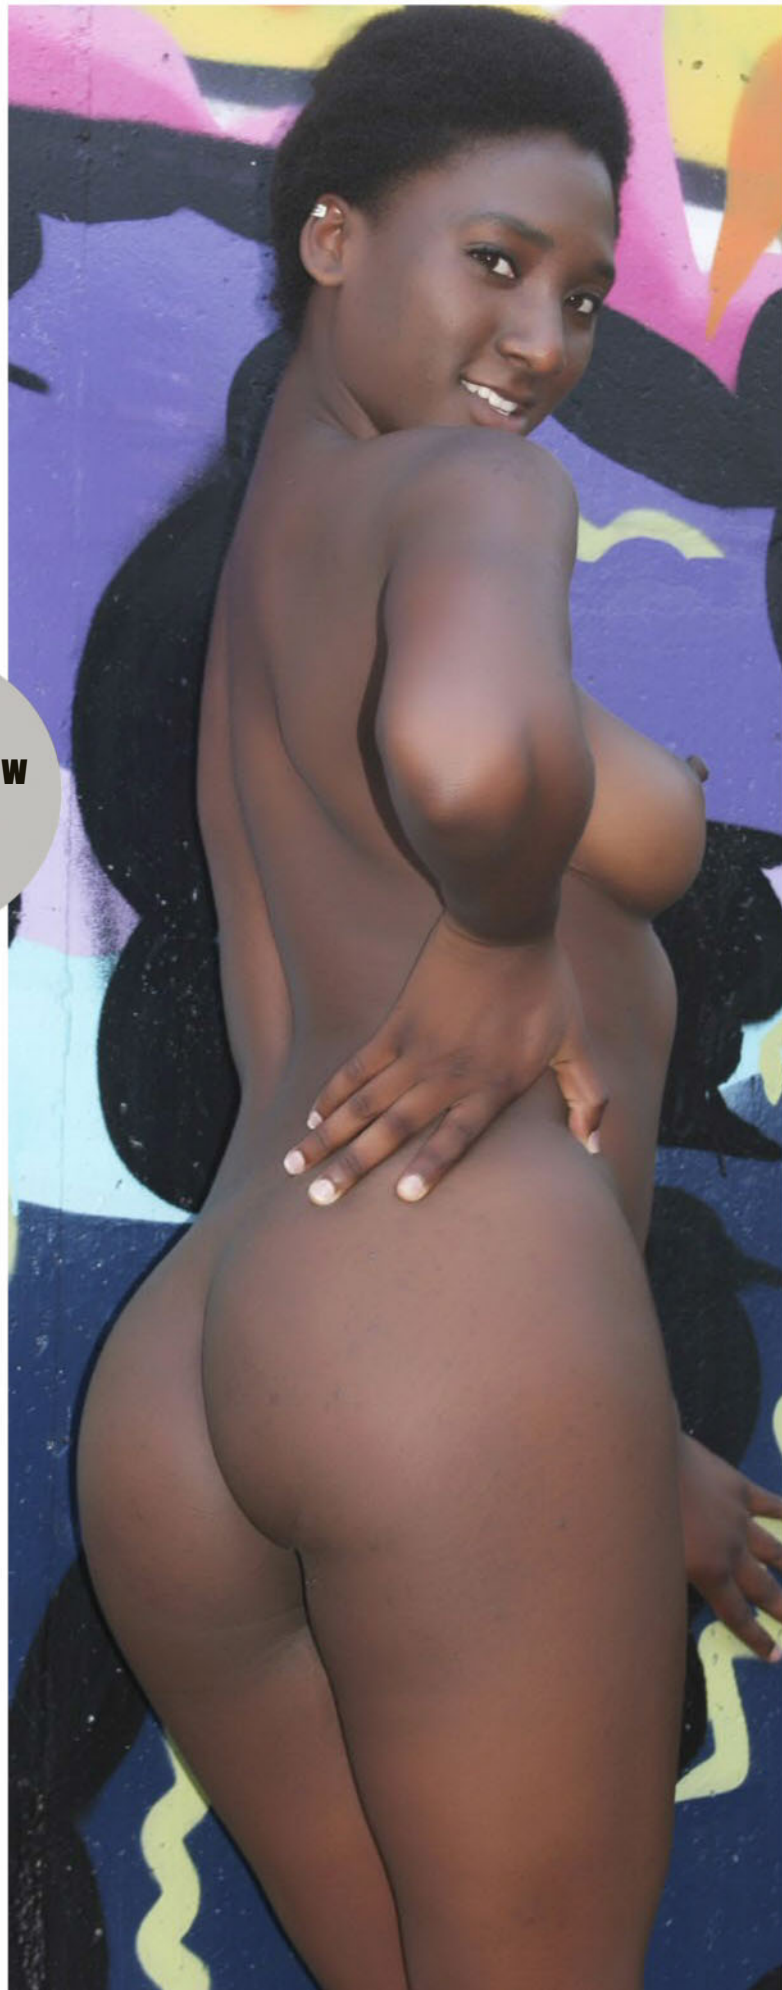
BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

LEEORA
SOUTHPORT, QLD

"I am a freelance graphic designer," says serious-minded 20-year-old Leeora. ***You could probably fit in fine here, then. You don't even have to WEAR PANTS, which is obviously something you are good at doing without.*** "All of my friends know I do nude shoots." ***We hope they're as supportive as we are. You do a lot of nude work?*** "Yes. In fact, the most outrageously sexy thing I have done is nude and lingerie shoots with other girls." ***What else do you get up to?*** "I love to spend time by myself. I like to read, dance, sing and play the piano with no-one else around." ***With that body on show, it must be tough stopping people following you around.***

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO? "I was pretty much just focusing on what the photographer was asking me to do. I generally prefer to do more art nude photo shoots, but I did enjoy doing this shoot because it wasn't too demanding."





KC
NORTHERN RIVERS, NSW

Nineteen-year-old, arselicious dance teacher KC must be great fun when it comes to pub chat. "I've practically been promoting my love for sex toys to my friends for the past year. I recently bought one called the womaniser. It was an early Christmas present for my clit." ***Hopefully you now come more times a year than Santa. Do friends get LIVE TOY DEMOS or do they have to settle for vivid descriptions?*** **"**They wish they could get a demonstration! But very vivid descriptions will have to do... for now."

Does dance teaching keep your body in cock-strokingly good shape? "It does. I train nearly every day and go back to teaching at night. I've been teaching for the past year."

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THESE PHOTOS? "I absolutely loved feeling in charge of my own body and not worrying about anything else. I can't really think of a thing to dislike about it. The whole experience was pretty great."

Home Girls

"We performed delicious oral sex on each other"

JADE
FITZROY, VIC

"One summer, my previous boyfriend and I clambered to the top of a huge hill right beside the Hume Highway and performed delicious oral sex on each other to the toots of drivers-by," says 31-year-old student, bartender and massage therapist Jade. "It was a rush to be pleasuring him at the same time as hundreds of bored car passengers." ***Put on any public sex shows since then?*** "Not since, sadly. I've been looking for the right person to join me on another jaunt in the sunshine. Before then, I had been known to indulge in a few public pashes, but nothing as racy as hilltop sex. I almost never have any spare time, so I like to combine leisure and exercise by hiking as often as I can." ***Hopefully your next hike will have a different happy finish.*** **WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?** "I liked that the weather wasn't great on the day – perfect time to be indoors. I disliked that my hair wasn't looking fantastic, but swings and roundabouts as they say."

TAYLOR
SOUTH FREMANTLE, WA

"I'm very open with my new husband and we enjoy hosting parties with friends," says delectable 41-year-old Taylor. "We've done an exquisite nude group photo session with guests around our pool one night at a party we hosted: very Playboy Mansion style." ***Where are the pics from that session? As in why aren't they in our office?*** "They're in a personal collection we have at home. We have some displayed as artwork in a room of our house." ***So are these beanos swingers' parties or just NUDE NIGHTS?*** "Mostly nude nights. But we are accepting of any friends who want to experience other partners." ***Just don't leave JIZZ STAINS on the lounge.*** **WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?** "I like being photographed in the naked form. I enjoyed it, however, I'm normally the one directing the shoot and how to pose in the best possible position. It's a little more difficult when someone else is telling you what they think the best way you should look."

"We've done group nude photo sessions"

"I love being on camera"

DANI
WEST BEACH,, SA

"I have recently become really involved in fitness," says 23-year-old hospitality worker Dani. "I go to the gym, I have a personal-training session every week and I walk five kilometres a day on the beach." ***Are RIGOROUS sexual encounters a good way to burn kilojoules?*** "The best way. A good session in bed beats the gym any day." ***What sex position is the best for toning legs and buttocks?*** "I'd say, if the girls on top and she's squatting on that dick. Hits some good spots too." ***Do you think about sex much while in the gym surrounded by SWEATY BODIES?*** "When you see all the guys and how much they can lift, makes you wonder what they could do in the bedroom." ***Apparently 'roids shrink the cock, so your imagination might be telling you some fibs.***

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO? "I love being on camera. It was heaps of fun doing the shoot. It was my first shoot, though. I probably would've liked to have been more prepared."

"Are you attached? You can do my books any time. And are you featuring in the magazine again?
MIK, CLAREMONT, WA

ROXANNE SAYS: *"No, I'm single and always keen to mingle. I'd love to be able to handle your tax! I'm going to start an end-of-financial-year special: "titties and tax" if you're interested. And I'd love to be in the magazine again."*

MYLA
CANBERRA, ACT

$30 ASK THE HOMIES

"I agree your face is a great feature. And I love your figure. How do you keep in shape? And how do you get the courage to pose nude?"
DEBBIE, WARWICK QLD

MYLA SAYS: *"Thank you so much. I'd love to do another shoot; it was an exciting experience. My work keeps me in shape and gives me confidence; I'm an exotic dancer so I do pole and lap dancing which helps to look and feel sexy."*

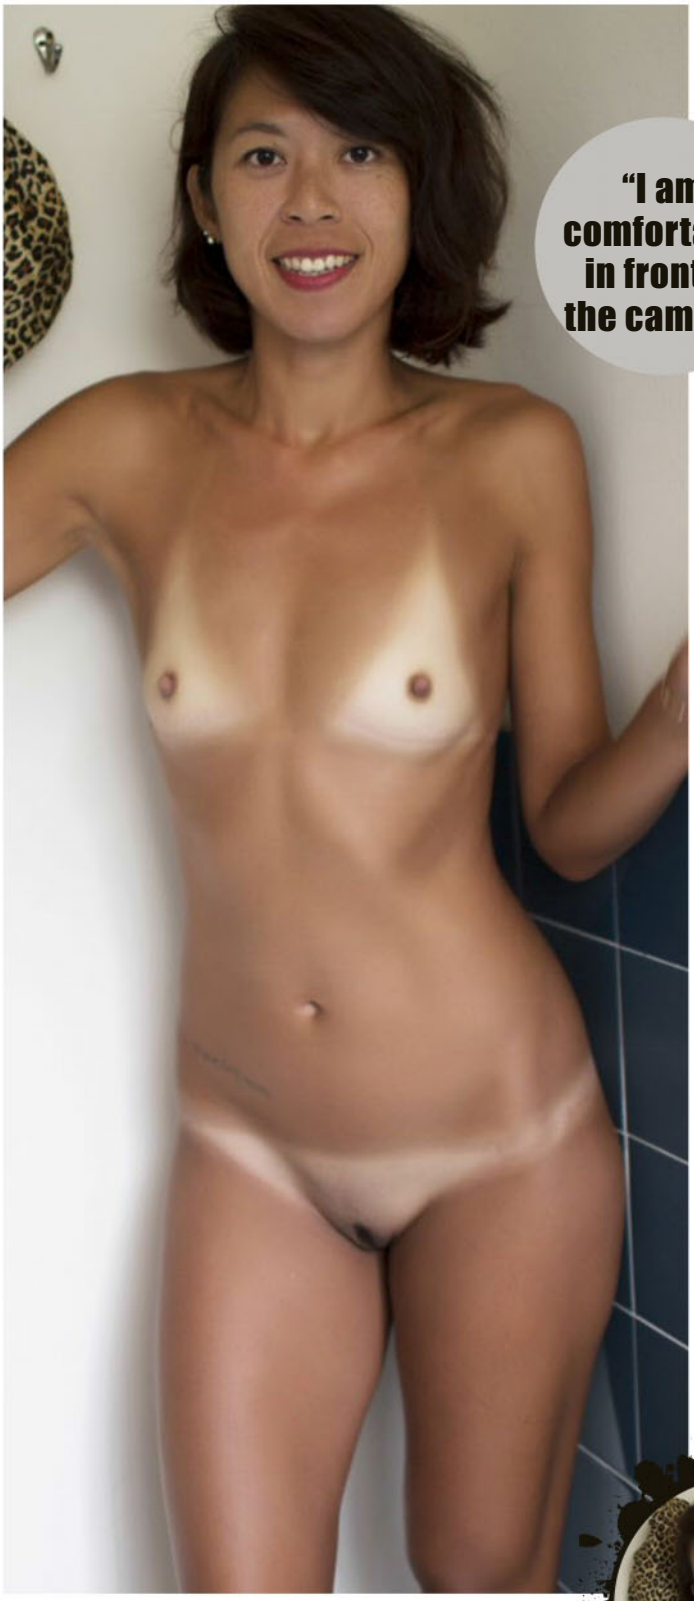
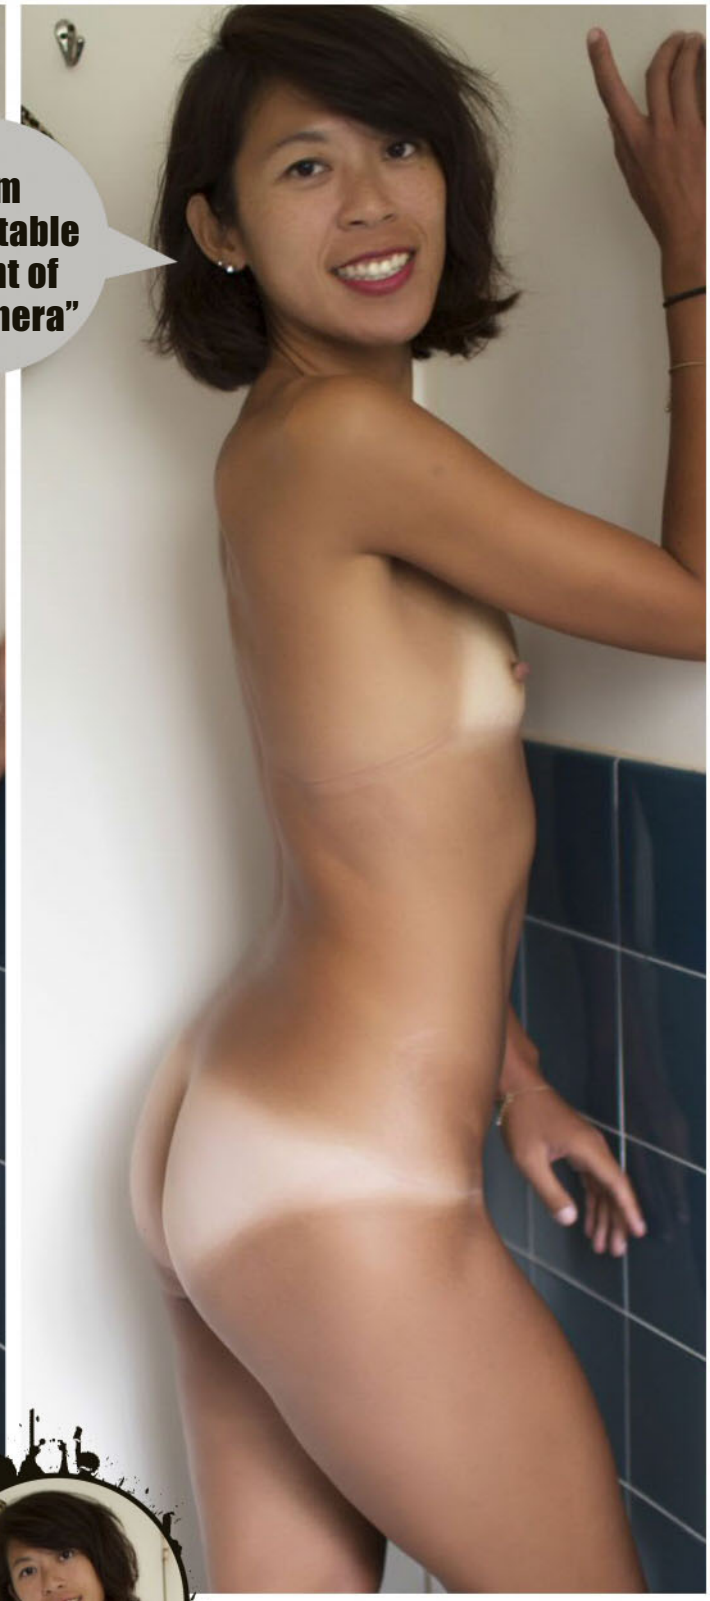
CRISTINA
NEWSTEAD, QLD

"I'm a biologist," says 32-year-old Brazilian-less Brazilian Cristina "I love nature and I love music." ***What do you like about science?*** "I think science tries to help us understand why we are here and why the world is like it is." ***Do you get frustrated with people who are anti-science, like climate change denialists and religious nutters?*** "No, I don't because I am open-minded and I need to respect different opinions." ***Tell that to the god-botherers trying to ban us. Are you travelling here in Australia?*** "I am studying English." ***Bewdy, mate. Is it bonzer, or is Strayan hard to wrap your head around, old china?*** "Australian English is like a dialect for me. It is hard to get used to."

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO? "For me, it wasn't so difficult, because I believe the body is like a sculpture, and it's used to keep our soul safe. So for me it was like I'm showing only one part of myself and I feel happy to share this with other people."





"I am comfortable in front of the camera"

LT
BELLEVUE HILL, NSW

Svelte Taiwanese-born 35-year-old student LT is used to the camera. "I do nude art work in Montreal." ***We're all about the HIGH ARTS here at Picture.*** "I did not know your magazine was so sexy, because I have just arrived in Australia." ***We can't think of a better way to understand the Australian ethos than this fine publication. Did you enjoy getting a bit RAUNCHIER?*** "I think I only enjoy posing for nude art shoots. Not porn or sexy poses." ***What do you like about the body you show off in an artistic, and not at all pornographic, manner?*** "I like it all." ***So do we. But you KNEW we were going to say that.***

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?

"Nothing came into my mind while I was doing the shoot. For me, it's my passion and work. I just do what the photographer asked me to do. But, of course, I am comfortable in front of the camera in the nude because I like the naturalness of the human body."

"I'm a big weed smoker"

HELENE
BYRON BAY, QLD

"This shoot is the most sexy thing I have done," says 24-year-old dishwasher and French traveller Helene. ***Just having that arse attached to you is the sexiest thing you've done. And you don't even have to try anything to achieve that. Tell us something else about you and your GREAT ARSE.*** "I'm a big weed smoker." ***What do you miss about life in France while you are zipping about Australia?*** "I miss my cheese." ***Particularly after smoking weed, we imagine. When you head home, what will you miss about Australia?*** "I'm travelling with my boyfriend. And I will probably stay and live here because my boyfriend is half Australian." ***Half-Australian and fully stoked whenever he sees your arse anywhere near him.***

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?

"It was funny and ridiculous at the same time. The photographer was great. I did this only for the money. Only my good friends back in France will find out, I guess."

KORIE
WODONGA, VIC

Retail worker Korie, 22, may not be in line for a Wallabies jersey, but it sounds like she'd be more fun to watch than the 15 private school tossers who do have one. "Something sexy I have done would definitely have to be when I played rugby with the girls in our undies; athleticism and practically nude woman getting rough on the field. Wooo!" ***Fantastic. Absolutely nothing can beat that.*** "I think the group shower at the end might just beat it, actually." ***Well, we stand corrected. Who was lucky enough to see the game? Or the shower? Should've sold tickets. Could've made a mint!***

"We all went to a giant party just outside of town near one of the local footy ovals, so whoever was at the party may have been smart enough to stick around and watch."

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?

"I was just completely enjoying the moment. It is not the first time I have posed nude, and won't be the last. What I liked most about the shoot is that I know my bum looked good in every shot."

AVA
HOUGHTON, SA

Our homies aren't always sure about what anecdotes to share. "I once had a threesome with two other girls; is that OK to talk about?" asks slender, firm-bodied 19-year-old Ava. ***We can't think of a better topic. Okay, maybe a FOURSOME with THREE OTHER GIRLS. What did you like about the threesome?*** "I actually liked kissing them both the most. Both girls had really soft lips." ***How did it come about?*** "I guess I was a bit curious and wanted to explore. I had never been with a girl before, so I guess it was just something different. I love to try new things." ***Any more plans for a rampant amount of group or lesbian sex in the coming weeks?*** "Probably not at the moment, but we'll see what happens. I am quite open-minded."

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?

"I felt quite free. I also found it very liberating. It definitely built up my own self-confidence. It is just something so different, I guess. As I said, I am always about trying new things."

HOMIES FLASHBACK

BABES FROM OUR "WONDER YEARS"

FLASHBACK TO JANUARY, 2000

DECEMBER 31st 1999 passed without a single sighting of the dreaded Y2K bug and we welcomed in the new millenium with vomit down our fronts and crook necks from watching the neighbour's fireworks. Luckily a few Homies pushed through hangovers and got their PINK BITS out for us to enjoy. Hopefully, they're still about in another thousand years.

NIKKI
ALBURY, NSW

Those readers with jobs – that's both of you – will know that getting through the work day can be tough, even for "easy going, girl next door" homies like 30-year-old Nikki. "My job in admin is fast-paced." ***How do you cope?*** "I'm a bit flirty, so sometimes customers can get the wrong idea." ***Just the customers?*** "I have had sex with my boss on my desk at work after hours." ***Hopefully that gave you BOTH a raise. What about after hours? How do you deal with the harshness of life?*** "I love a cold beer on a hot day."

Consumed with a nude spunk like you, it would taste even better.

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO?

"I loved it. I love being naked and I even enjoy that other people are seeing me. I don't think my friends have seen any of my photos. Well, at least they haven't said anything. I did tell a couple of girlfriends. Hopefully, they would like to do a double shoot in future."

"Ha ha. Thank you."

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THESE PHOTOS? "I was a little bit shy at the beginning, because it was my first time. But then I was feeling more confident, because actually I love to show off my body."

YUNA
COTTESLOE, WA

Whale huggers are going to have to deal with the fact we love the Japanese, especially when the kingdom sends us superb examples of womanhood like 21-year-old Yuna.

Konichiwa, what are you doing for a living? "I am a housekeeper and cleaner. I am travelling, but I will stay in Perth for a while. I'm gunna miss Australia, especially Perth. I like the beach, surfing, and all of the people who I have met here." ***And they will undoubtedly rue the day your pert Nipponese figure departs our shores, too. What do you miss about Japan?*** "The food." ***Hard to get FRIED MINKE in Perth?*** "Sukiyaki and sushi." ***Um, you know you can get that pretty much everywhere.*** "Yes, I know I can eat that here, but it is so expensive."

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO? "It was my first experience being photographed so I was very nervous and ashamed, but the photographer was so nice and made me feel comfortable when I was taking the photos. I liked posing naturally with a smile, but I disliked posing with a serious and sexy face."

I never did get my other sock back."

KIAMA, NSW

LIVING down the south coast of NSW, you'd think Charlie might be a little more scared of the big ol' NOAHS currently terrorising her local beaches, but it turns out she's more worried about the sharks ON THE LAND than the ones off it. "Guys are so creepy!" blurts the 24-year-old. "I'd rather take my chances in the water than a nightclub full of seedy guys." ***Surely that's all a little over the top isn't it?*** "Not at all. Just the other night, I was at a bar, and this idiot thought it would be OK to put his hand up my skirt and try to grab my arse, so I threw my drink in his face!" ***That'll learn him. Now let's hear a nice story…*** "Well, I did meet this guy about a month ago and had the best sex of my entire life!" ***That's more like it!*** "Yeah, he had the most amazing stamina – we must've fucked six times in one night!" ***Uh oh, that bastard's setting a HIGH STANDARD…*** "You bet he is; he's my benchmark for one-night stands." ***We feel sorry for your next root.***

WHAT WAS GOING THROUGH YOUR HEAD AS YOU POSED FOR THIS PHOTO? "Not much, I wasn't scared or anything. I was really relaxed actually. I think I'm a natural, so maybe you'll be seeing more of me…"

GO FACT YOURSELF!

THIS ISSUE: WHISKEY

01. To 'e' or not to 'e'? It's spelt whiskey in Ireland and the USA, but whisky everywhere else. To further fuck you up, some Seppo brands, such as George Dickel and Maker's Mark, use the no 'e' spelling.

02. The name whisky (with or without the 'e'), was derived from the Irish Gaelic phrase "Uisce beatha", meaning "water of life".

03. The oldest licensed distillery in the world is Bushmills, in Northern Ireland, which has been turning out the happy juice since 1608.

04. During prohibition in the USA (1920-1933), you could still buy whisky for medical purposes from pharmacies as long as you had a prescription.

05. Bourbon is American whisky made with a minimum of 51 per cent corn, instead of all barley, like the Irish and Scottish stuff.

06. India is the biggest consumer of whisky in the world, but mainly because the definition of whisky is pretty loose there. Most of the local "whisky" is crap made from molasses, which would make a Scotsman spew up in his sporran.

07. Whisky is clear when it's first made, and only turns brown when it's aged in wooden barrels.

08. If you visit the Jack Daniels distillery in Lynchburg, Tennessee, you can't even have one little sip of it in a local bar there because it's in Moore County – a "dry county" that prohibits the sale of booze.

09. The Beatles popularised the drink whisky and Coke in London in the 1960s, when they were the biggest band in the world. Because they were drinking it, everyone else started to as well, so every time you knock one back, sing a Beatles song.
